

2020 School vaccinations

The NSW Health Department works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2020 the following vaccines will be offered

Year 7 students:

- Human Papillomavirus (HPV) Vaccine in a 2-dose schedule
- dTpa Vaccine (Diphtheria, Tetanus & Pertussis (whooping cough)) as a single dose.

Year 10 students:

- Meningococcal ACWY Vaccine in a single dose

Parent information kits for Year 7 have been distributed to students. Year 10 kits will be sent home towards the end of Term 1.

Vaccination dates for 2020 are:

25 February - Year 7 (and Year 8 catch-up)

18 June - year 10 (and Year 7-8 catch-up)

10 November - Year 7 (and Year 8 and 10 catch-up)
