UNSW - Year 12 Medicine Information Evening

18 March. 6.30pm to 7.30pm

Leighton Hall, Scientia Building, Kensington

If pursuing a career in Medicine is what you've always dreamed of, then make sure you don't miss the Medicine Information Evening.

This evening provides a general overview of the UNSW Medicine degree as well as detailed information on our application and admissions process for 2021 from current staff and students in the Faculty of Medicine.

Finally, the evening is a great opportunity for you to ask any questions you may have about what it's like to be a student studying Medicine at UNSW, what the interview process is like, or anything else that may be on your mind. This event is extremely popular and will fill to capacity. Please register as soon as possible to avoid disappointment.

<https://www.events.unsw.edu.au/event/year-12-medicine-information-evening-0>

UNSW Year 10 Subject Selection Evenings

7 April. 6pm to 8pm

19 May. 6pm to 8pm

28 May. 6pm to 8pm

We will make sure you're familiar with what you'll be doing during HSC subject selection - but also with how your subject selections may affect what adjustment factors (previously known as bonus points) you may be eligible for, what the difference is between assumed knowledge and prerequisites and how the Uniadmission and scholarships application process works. We promise we'll cover all of this in less than an hour (we're rehearsing now). Plus, we'll give you time either before or after the program to speak with our faculties and key staff so that you can get information and answers to any specific questions you may have. More info and register here:

7 April:

<https://www.events.unsw.edu.au/event/unsw-year-10-subject-selection-evenings-1>

19 May:

<https://www.events.unsw.edu.au/event/unsw-year-10-subject-selection-evenings>

28 May

<https://www.events.unsw.edu.au/event/unsw-year-10-subject-selection-evenings-2>

UNSW Law Admission Test LAT

9 May. 6.30pm to 8.30pm

Do you want to find out more about how the Law Admission Test (LAT) affects entry into our Law double degrees? Have your questions answered at our 2020 LAT Information Evening. The LAT is an entry requirement for all undergraduate law double degree programs at UNSW. This information evening will cover how the LAT has worked for entry in the past, provide detailed program and Faculty information, as well as key LAT dates for the year ahead. Our LAT Information Evening is for year 11 and 12 students and their parents, career advisers and students currently studying at another university who are hoping to transfer to UNSW Law in 2021.

<https://www.events.unsw.edu.au/event/law-admission-test-lat-information-evening>

Parent Information Evening at Western Sydney University

Wednesday 22 April, Campbelltown campus

Thursday 23 April, Parramatta South campus

The Parent Information Evening at Western Sydney University provides parents, guardians and students a chance to find out everything they need to know about university. From discovering the way the ATAR works to speaking with

Western Sydney University staff and students one-on-one to learn about the opportunities available for your child, the Parent Information Evening is a great introduction to the exciting journey ahead.

Learn more about university and campus life, Western Sydney University courses, admission, early entry programs and scholarships. The evening will include formal presentations as well as an informal advising market, where you will have the opportunity to speak to staff about courses and programs. Register here:

<https://www.westernsydney.edu.au/future/student-life/events/parent-information-evenings.html>

Western Sydney U Day Parramatta South campus

Thursday 10 June 2020

Campbelltown campus

Friday 20 November 2020

Western Sydney U Day provides the opportunity for Year 10 and 11 high school students to experience a day on a Western Sydney University campus.

The event will allow high school students to speak with current University students and academic staff, experience the range of courses available at Western Sydney University through interactive workshops and presentations, learn about scholarships, The Academy, pathway programs and further opportunities to pursue their aspirations.

<https://www.westernsydney.edu.au/future/student-life/events/western-sydney-u-day.html>

CSU – Medicine Information Evenings Soon

- **Bathurst** - Monday 9 March 2020
- **Orange** - Tuesday 10 March 2020
- **Wagga Wagga** - Monday 16 March 2020
- **Sydney** - Tuesday 24 March 2020
- **Port Macquarie** - Monday 6 April 2020*
- **Albury-Wodonga** - Wednesday 8 April 2020*

What we'll cover:

- An introduction to our School of Rural Medicine team
- Doctor of Medicine course overview and program structure
- Entry requirements and the application process (including Indigenous and rural admission)
- What to expect for UCAT (the University Clinical Aptitude Test for Australia and New Zealand)
- Understanding the interview process
- Potential career outcomes
- Information about our Orange campus (including accommodation)
- Scholarships and other support services

This information night is for everyone! Whether you're in high school, looking for a career change or keen to take the next step in your health career – this event is for you. Parents and career advisers are also welcome.

<https://engage.csu.edu.au/medicine-info-nights>

The University of Melbourne Interstate Information Day

17 April 8.30am to 6.00pm

Parkville Campus

Please note: Registrations usually close within a few days as we reach capacity quickly, so we recommend distributing this to your interested students as soon as possible.

The day will focus on aspects of the university that are of greater concern to interstate students such as the application process, scholarships, student services, accommodation options and financial assistance. This year we will also have faculty participation with a 'Faculty Speed Dating' session.

Participants will have an opportunity to ask current University of Melbourne students who have come from interstate about their experience and how they managed the transition. The program will also include accommodation tours for those interested with an option to join a college residential college community for dinner in their dining hall

<https://study.unimelb.edu.au/connect-with-us/events-for-future-students/all-events-listing/interstate-student-information-day>

University of Sydney Union - School Debating

USU runs four School Debating Sessions throughout the year. Encouraging participation and excellence among high school debaters state-wide. For more information on our program view our website below. Hope to see you there!
<https://www.usu.edu.au/Get-Involved/Debates/side-callout/Schools.aspx>

Song Writing: Luísa Sobral - Stimulate your Creativity - Eurovision Winner

14 March. 10.30am to 12.30pm

Conservatorium of Music Sydney

Join Luísa Sobral (Eurovision songwriter winner 2017) in this 2 hour workshop/ masterclass where she will demonstrate her creative process from her own songlist, workshop participants' songs and communicate techniques to get the creative juices flowing. This workshop is for songwriters and aspiring songwriters.

Luísa is possibly best known for her Eurovision winning song 'Amar Pelos Dois'. It was written and gifted to her brother, Salvador Sobral, to perform in 2017. This sister and brother partnership was a huge success, winning the Portuguese competition and then the European one. It was the first time Portugal had ever won the Eurovision Song Contest and also the first time that the European public had chosen a jazz tune as the winner.

<https://openacademy.sydney.edu.au/course/WFLS>

Hansen Scholarship Program - University of Melbourne

Closes 9 March 2020

Value up to up to \$108,000

The Hansen Scholarship is a flagship scholarship program at The University of Melbourne. From 2020, The Hansen Scholarship will be awarded to talented undergraduate students whose financial circumstances present a challenge to accessing a first-class education. Recipients will be awarded accommodation, an allowance, and financial and personal support.

<https://scholarships.unimelb.edu.au/awards/hansen-scholarship>

UNSW Engineering High School work experience Program

Application for 2020 will be available soon.

The UNSW School of Civil and Environmental Engineering (CVEN) in conjunction with its Industry Advisory Committee organises an annual work experience program to promote engineering career options to high school students. The program runs for five days usually in Week 5 of UNSW Term 2 and is available to Year 10 students across NSW.

The program allows students to experience engineering projects firsthand across six areas of the civil and environmental engineering field, namely:

- Coastal and Port Infrastructure
- Structures and Design
- Construction and Project Management
- Water, Wastewater and Environment
- Road, Transport and Underground
- Surveying and Geospatial Engineering

<https://www.engineering.unsw.edu.au/civil-engineering/industry-commuity/high-school-work-experience-program>

ACU Personalised Student Tours

Our team can provide a more personalised experience for students who are thinking about studying at ACU. If your student would like to individually visit an ACU campus or speak to ACU staff about our course offerings personalised tours are available at the Ballarat and Canberra campuses or at 10am or 3pm at the Brisbane, Melbourne and Sydney campuses. Tours run for approximately 30 minutes.

Bond - Student For a Semester

Applications for the May 2020 semester are open from Friday, 13 March

Closes Friday, 24 April

Are you an ambitious Year 11 or 12 high school student living on the Gold Coast, Brisbane or Northern NSW?

Bond University's Student for a Semester program gives high achieving year 11 and 12 students the opportunity to gain an authentic university experience before they finish high school.

Student for a Semester students enrol in a Bond University subject, attend lectures and tutorials on campus, complete assignments and sit their subject exams.

<https://bond.edu.au/future-students/study-bond/see-yourself/student-semester>

Study Medicine – New Information Added to Study Medicine: Frequently Asked Questions and the AMA.

This free resource provides detailed information to questions such as: How do I increase my chances to get into medical school? What's Plan B if I don't get into medicine? The FAQ links to the Australian Medical Association (the AMA also links to Study Medicine), pointing students to highly credible and authoritative information.

Sydney University Mega Maths Day 2020

For students in Years 9 and 10

An opportunity to surprise and inspire students with mathematics and showcase the variety of disciplines and careers that require mathematics. Mega Maths Day engages with stage 5 students who need to make choices about what kind of mathematics to do in senior school.

No matter what your students choose to do in the future, maths will be a part of it: from maths models that help predict which latest fashion items will sell out, to calculations that allow you to build bridges, to statistics that show what people think of a business, to computations that help in the understanding of diseases. Register here:

<https://sydney.edu.au/science/industry-and-community/community-engagement/mega-maths-day.html>

UTS - Apply for the Engineering and IT Work Experience Program

Applications close 31 May 2020

For 23 to 27 November 2020

Year 10s and 11s. Get hands-on experience with this 5-day program designed to give you an insight into what it's like to choose a career in engineering or IT.

You'll get to take part in a range of workshops (including computer science, cyber security, biomedical engineering, electronics engineering, civil engineering and more) as well as spend time with current UTS students and academics from UTS Faculty of Engineering and IT.

Work Experience week runs from 23-27 November 2020. Students are expected to attend for all 5 days.

If You Love the Land - New Scholarship on Offer

Applications close March 29.

HUNTER high school students have the chance to gain “valuable” work experience in event management and a \$2000 educational scholarship thanks to Tocal Field Days Association.

Three Year 10 students will be selected to work at Tocal Field Days each year for five years. At the end of five years they will receive \$2000 that can be used to pay off a HECS debt or other educational fees. Students will also be paid over the three days of the event.

The scholarship program was designed to provide valuable, practical, work experience for young people wanting to pursue event management as a career.

<http://www.tocalfielddays.com/visitors/for-schools/>

Total Field Days

Friday 1 , Saturday 2 and Sunday 3 May 2020

An excursion to Tocal Field Days is a fantastic educational opportunity for students of all ages. A number of activity sheets have been developed to meet the different stages of learning and key learning areas.

- We also provide a special bus parking area inside the event where you will be met by our ‘Schools Coordinator’ who will provide a safety briefing and a site induction.
- There are a number of shade shelters throughout the event where you can meet for lunch.
- ‘Tocal on Show’ showcases everything about Tocal College including horse demonstrations, sheep dog trials as well as safe quad bike and motorbike demonstrations.
- Once you enter the event you can catch the free shuttle to the Homestead for a step back in time.
- The special feature for 2020 is ‘Future Farming’ and there will be carp catching opportunities, learning how to cast workshops and the popular ‘touch tank’ will be back as well.

Please consider a visit to Tocal Field Days for an educational rural experience.

<http://www.tocalfielddays.com/visitors/for-schools/>

GENERAL

Sydney Writers Festival Secondary School Days 2020

4, 5, 6 May

The Secondary School Days program is a wonderful opportunity for students to hear from some of the world's most exciting authors, thinkers and storytellers.

Led by international and Australian YA authors, these interactive sessions are designed to grow students' enjoyment of books and reading, encourage them to consider their own creative pursuits, and inspire and challenge them through the discussion of literature and ideas. During each session, writers and illustrators perform from their work, talk about their craft and take questions from the audience.

2020 Curious Minds – Winter Camp

Event Dates - 12/07/20 - 16/07/20

A residential and mentoring program for girls in science, technology, engineering and mathematics.

Curious Minds is aimed at highly capable girls in Years 9 and 10 who have an interest in STEM learning areas.

This is a six-month program that combines two residential camps and a STEM coaching program. The camps will enable the girls to explore all aspects of science, technology, engineering and maths through guest lectures, interactive sessions, practicals and field trips.

The coaching program will see each student matched with a female coach recruited from a variety of STEM backgrounds and together they will construct personal goals for the student. This might include discussing study options and career pathways, undertaking further extension work with support from their coach, developing ideas based on learnings from the camp or working on a project.

<https://www.asi.edu.au/programs/curious-minds/>

GoIT Girls Work Experience STEM Program

Sydney

16th March - 20th March 2020

18th May - 22nd May 2020

27th July - 31st July 2020

7th September - 11th September 2020

Melbourne

27th April - 1st May 2020

1st June - 5th June 2020

10th August - 14th August 2020

GoIT Girls program is a week-long work experience program aimed at female students in Years 10 and 11. The participants meet senior executives from our company and from our client organisations, who provide insight into the various STEM roles that exist across the business spectrum, with the hope of inspiring a new generation of innovators, problem solvers and technology professionals. The aim is to provide insight into and challenge stereotypes, of the technology industry and challenge gender occupational stereotypes.

<https://info.tcs.com/anz-community-stem-goit-girls.html>

CSIRO - STEM Professionals in Schools

Teachers and STEM professionals work together to increase STEM skills, knowledge and confidence for the teacher through a range of activities including mentoring, career talks and hands-on activities to name a few!. STEM

Professionals in Schools is a national volunteer program that facilitates partnerships between schools and industry to bring real STEM (Science, Technology, Engineering and Maths) into the classroom.

<https://www.csiro.au/en/Education/Programs/STEM-Professionals-in-Schools>

CSIRO Indigenous Cadetship - Plan Ahead

Calling all Australian Aboriginal and Torres Strait Islander undergraduate students! Take on a paid cadetship in an exciting and stimulating workplace with real life projects, excellent career development opportunities, study support and access to the latest research and state-of-the-art technology.

<https://www.csiro.au/en/Careers/Indigenous-careers/Aboriginal-and-Torres-Strait-Islander-Cadetships>

CSIRO Indigenous Traineeship

Apply for a traineeship and receive structured, on the job training and the opportunity to complete a nationally accredited qualification in a diverse, multicultural work environment. Our traineeship program offers diverse, multicultural work environments across CSIRO in all areas of science, research and support services, such as human resources, administration, finance, communication, information technology, lab assistants and more.

<https://www.csiro.au/en/Careers/Indigenous-careers/Aboriginal-and-Torres-Strait-Islander-Traineeships>

CSIRO Indigenous Time at Sea Scholarship

Aboriginal and Torres Strait Islander uni students the opportunity to join research voyages on RV Investigator. CSIRO and the Marine National Facility (MNF) are striving to increase access to STEM (science, technology, engineering and mathematics) opportunities for Aboriginal and Torres Strait Islander students. In a new initiative, university students will be given the opportunity to participate in research voyages on research vessel (RV) *Investigator* through the Indigenous Time at Sea Scholarship (ITSS).

Applications for 2020 voyages for the Indigenous Time at Sea Scholarship are NOW OPEN! Apply [here](#).

Australian Museum - Museums Discovery Centre

28 and 29 March

172 Showground Road, Castle Hill

Visitors will experience the treasures from three of Sydney's favourite museums under the one roof with an exciting program of hands-on activities, cultural performances and fascinating collection tours.

[Click here for more details.](#)

Newcastle Conservatorium of Music Creative Lab

26 February.5.30pm to 7.00pm

The **Creative Producers** course will enable young people to **experience, explore** and **interact** with creative technology in a playful and explorative environment. Building on the diverse strengths and abilities of each student, participants will develop a creative project using cutting edge music production equipment and software, while accessing the recording studios and creative spaces at the Conservatorium of Music.

The course is suitable for high school students in Years 10-12 and runs each week at the Conservatorium of Music. No experience is required - just a curiosity to get creative!

In the course, students will learn and use music recording and production software such as [Ableton Live](#) as well as the huge lab of [Ableton Push](#) on offer.

ADF Gap Year Applications Open or Register Your Interest

A Gap Year in the Australian Defence Force is not only a chance to experience what a career in the Navy, Army or Air Force could be like, but also to have a year full of adventure, new friends, new skills, leadership, and travel. An ADF Gap Year is a truly unique opportunity for you to grow and figure out what next step you'll take in life.

To be eligible to apply, you'll need to be an Australian citizen aged between 18 and 24 on completion of military training (dates vary by job). You'll also need to have completed Year 12 (subject passes required vary by job) and have passes in Year 10 English and Maths. Refer to individual job pages for more information.

Applications are currently closed. Register your interest below and get notified when applications open in 2020 for Gap Year roles.

AWS Tech Week

Please register ASAP before Friday 28 February

AWS Tech Week is a global series of technology related free events run by Amazon Web Services and powered by AWS InCommunities. The goal of AWS Tech Week is to utilise the skills and resources of AWS and its employees to inspire thousands of young people through fun, creative, and educational technology related activities.

In addition to AWS Sydney employees visiting selected schools in the Sydney region to deliver face-to-face sessions, they will also deliver three **free virtual sessions** using video conference technology.

Tuesday 31st March, 10 am to 11 am - recommended to Year 8

Tuesday 31st March, 1 pm to 2 pm - recommended for Years 9 & 10

Wednesday 1st April, 1 pm to 2 pm - recommended for Senior students

Further sessions may be added based on demand. Please let us know what you'd like!

Further FREE online lesson plans and mentoring support could be available for participating schools keen to have their students explore deeper skills relevant to their curriculum. There is no selling, just education, technology & fun.

The team from Inspiring the Future - Australia is coordinating school registrations on behalf of AWS In Communities. You can use the Eventbrite link The Eventbrite link [**https://tinyurl.com/wr44a9o_**](https://tinyurl.com/wr44a9o_) can be used to register for one or more of the virtual sessions. (see attached flyer [here](#))
